

Autonomous Fabric Symposium

9.30 doors open

**10.00 Introduction
Klooster (Michelle)**

10.05 Introduction of content + organization

- **Nathalie/MAMA is
project partner**
- **This is about self-
organization(s)**
- **self-organization as
a creative process**
- **with as many
Rotterdam
initiatives as
possible**

- **incomplete invitations, different partners now than in 2017**
- **autonomousfabric.org as mapping of more than 100 initiatives.**
- **students have visited locations.**

It is meant to be

(a) network event for self-organizations,

(b) event for WdKA to learn how we must change

We see self-organized practices as present & future of artistic practice, need to change curriculum – as question.

Program of the day:

Florian - questions:

- 1. how do we understand and practice autonomy?**
- 2. how do we deal with gentrification?**
- 3. To which extent do our spaces reflect and represent the changing demographics?**
